Our new text notification service keeps you updated in real time on your repair job's progress.

Stay informed with real-time text updates delivered directly to your phone* throughout the repair process:

- **Your appointment is scheduled and confirmed.**
- **Your technician is on the way.**
- **Repairs are underway.**
- **Additional service is needed.**
- **Repairs are complete.**

For peace of mind *and* convenience with your schedule, ask us how to opt in for text alerts when you book your next service appointment.

* Please keep in mind that text alerts only work when you have connectivity.
